

RPO's Mission:

Recreation Professionals of Ontario is committed to the professional development and support of its members involved in recreation and leisure services for seniors, including:

Professional Development

to provide excellent professional development opportunities in education, certification, and other professional issues.

Public Relations

to ensure a clear network of communication between members, other professionals and government agencies.

Professional Resources

to establish standards, guidelines, and other resources that will enhance members' professional roles and career development

***A Professional Organization
for Leisure Recreation
Providers in Healthcare
Settings***

Educate ~ Engage ~ Evolve

The Recreation Professionals of Ontario (RPO) organization was formed in 1984 by a group of recreation professionals in Central Ontario. They were interested in providing a forum for education, networking, and standard setting. Since 1984, RPO has been recognized by the Ministry of Health as a professional organization for recreation providers. An established Board of Directors oversees RPO and represents all regions in Ontario. In 2017, our members voted to become the newly formed RPO.

Membership Prices
